Partner Charity Program Overview

The Fox Valley Marathon Races and ShebBix Inc want to be good citizens. Working together with cities, townships, park districts, forest preserves, sponsors, volunteers, schools, race committee members, and runners, **we can provide a broad based positive impact to the host communities** that support the event, and throughout the country.

A vital part of the impact of the event is the Fox Valley Marathon Races Charity Program. **Each year, to help our neighbors in need, the Fox Valley Marathon Races will work with local, regional, and national charities** to help raise awareness of each charity and to facilitate runner donations to the charity in exchange for discounted race entries. Our Charity Program is 2-tiered, with Premier and Partner Charities. **The Fox Valley Marathon Races will offer local, regional, and national Partner Charities the right to reserve 10 or more entries through 8/01 at \$20 off current pricing. Any charity can be listed as Premier (runners see a free entry) if they commit to paying for their runners.** Charity runners will have access to exclusive benefits as listed below, based on availability.

All of our Partner Charities will be winners.

Charities may play a passive role, recruiting their team, requiring the minimum runner donation of \$100, and letting the Fox Valley Marathon Races charity runner discounts and amenities be the sole incentive to runners. However, many charities will take a more active role, facilitating programs that encourage fundraising efforts well beyond the race minimums, providing team camaraderie, training programs, and shirts promoting the charity to their runners. **Donations as a result of active charity fundraising programs in past years have exceeded well over \$500 per runner, which could translate to well over \$10,000 per year to an active Partner Charity.**

All of our Partner Charity Runners will be winners.

Beyond everything a standard entry fee runner gets, runners choosing a charity entry may get...

- access to \$20 entry discounts provided by the race
- access to charity-runner exclusive village gear check, stretching, and massage (all based on availability)
- unique recognition on the bib, the race program, or the website.
- eligibility for Fox Valley Marathon Races awards for top charity fundraisers
- the satisfaction of knowing they ran for a cause bigger than themselves.

All of our host communities, sponsors, and volunteers will be winners.

By being an integral part of the race, our host communities, sponsors, and volunteers are directly responsible for the annual runner donations to our charities. Working together, everyone involved in the races can take pride in being good citizens and helping our neighbors in need.
