  - A parent, sibling, or guardian IS permitted to enter the starting corral, run the 1.2 miles and cross the finish line with Fox Valley Kids Marathon Participants.
  - If a family member runs with their child during the race, they **MUST COMPLETE** the entire 1.2-mile course and cross the finish line.
  - Our course marshals must ensure ALL participants stay on the course for safety.
  - No strollers are allowed on the course to ensure the safety of all participants.
- Only bibbed participants will receive an official Finisher's Medal.
  - Kids are encouraged to wear the Fox Valley Kids Marathon Race Shirt that they received at packet pickup in the race.

## Finish Area

- For the safety of the runners, the finish area along 1<sup>st</sup> St. will be restricted to runners only. Spectators will need to stay behind the barricades so that all runners can finish their race and clear the area for the hundreds of runners finishing behind them.
- After runners cross the finish line, they will need to continue moving north along 1<sup>st</sup> St., where they will receive their medal, then will immediately exit the restricted finish area into the **north end of the Race Village**.
- Family and spectators can meet up with their runners in the **north end of the Race Village** (pink area on map).
- Photographs of smiling runners with their medals can be taken in the Race Village.
