Fox Valley Marathon Races

2020 Charity Program

Fill out a Volunteer Charity Team Application, email to teams@fv26.com, and let us help you raise awareness and donations for your cause.

Volunteer Charity Program Overview

The Fox Valley Marathon Races and ShebBix Inc want to be good citizens. Working together with cities, townships, park districts, forest preserves, sponsors, volunteers, schools, race committee members, and runners, **we can provide a broad based positive impact within the host communities** that support the event.

A vital part of the impact of the event is the Fox Valley Marathon Races Charity Program. **Each year, to help our neighbors in need, the Fox Valley Marathon Races will work with local charities** to help raise awareness of each charity and to provide donations to the charity in exchange for volunteer teams. Volunteer Charity Teams will have access to opportunities over several days based on availability, with donations proportional to the opportunity.

All of our Volunteer Charities will be winners.

Volunteer Charities will have a fun fall teambuilding opportunity, will receive recognition via the Events' social media, and will receive a portion of over **\$24,000 in charity donations**.

All of our host communities, sponsors, and volunteers will be winners.

By being an integral part of the race, our host communities, sponsors, and volunteers are directly responsible for the over \$50,000 annual runner and event donations to our charities. Working together, everyone involved in the races can take pride in being good citizens and helping our neighbors in need.
