

2021 Fox Valley Marathon Races Parking Guide

IMPORTANT RACE WEEKEND PARKING INFORMATION

We strongly urge you to allow plenty of time to get to St. Charles. Although there is ample free parking in St. Charles, traffic on race day will be heavy, so allow enough time to find a spot. In addition to the garages and lots, there is also plenty of street parking, which is an excellent option.

This map is a general figure intended to direct you to the city parking lots and garages. Please follow all posted signs. **WE DO NOT HAVE ANY SPECIAL EXEMPTIONS FOR RACE DAY.** If you park in a lot that says non-customers will be towed, **YOU WILL BE TOWED.** Also, note that many of the free city parking lots are located RIGHT NEXT to private lots, so please read signs carefully!
