Fill out and email a Charity Program Application, get approved as a Fox Valley Marathon Races Partner Charity, and let us help you raise awareness and donations for your cause.

Partner Charity Program Overview

The Fox Valley Marathon Races and ShebBix Inc want to be good citizens. Working together with cities, townships, park districts, forest preserves, sponsors, volunteers, schools, race committee members, and runners, **we can provide a broad based positive impact to the host communities** that support the event, and throughout the country.

A vital part of the impact of the event is the Fox Valley Marathon Races Charity Program. **Each year, to help our neighbors in need, the Fox Valley Marathon Races will work with local, regional, and national charities** to help raise awareness of each charity and to facilitate runner donations to the charity in exchange for discounted race entries.

Our program is 3-tiered, allowing charities of all different capabilities an opportunity to be involved.

- **Charity Hero teams:** teams of 10 or more charity runners get Charity Hero entry discounts and extra runner benefits in exchange for a fundraising commitment to one of our Charity Hero Charities.
- **Charity Volunteer teams:** teams of volunteers that help with the event can promote their cause with tents, banners, or signage at their area of responsibility and will get a donation from the event.
- **Recipient Charity teams:** teams of 2 or more adult race day volunteers plus appropriate vehicles that help with the cleanup and loading of leftover food and water can keep donations of food and water respectively for their food pantry charities.

All of our Program Charities will be winners.

All Charity Hero teams, Charity Volunteer teams, and Recipient Charities will benefit from being involved and visible in a high-profile positive-atmosphere feel-good event that brings 4,000+ runners, friends, and family members out on race weekend, many of whom may be unaware of the good that your charity provides to their community.

The most successful charities take an active role, encouraging fundraising efforts well beyond the race minimums by providing a mix of fundraising tools, team camaraderie, pre or post-race meal, and race shirts promoting the charity to their runners. A small investment of time and money can turn into a great fundraising return by race day, and happy runners who come back every year and even bring friends to join them on your team. **Donations as a result of active charity fundraising programs in past years have exceeded well over \$500 per runner, which could translate to well over \$10,000 per year to an active Partner Charity.**

All of our Partner Charity Runners will be winners.

Beyond everything a standard entry fee runner gets, runners choosing a charity entry may get...

- access to \$20 / \$10 / \$7 entry discounts provided by the race
- access to charity-runner exclusive village gear check, stretching, and massage (all based on availability)
- unique recognition on race bib, program, or website (must register by 11:59PM 7/31).
- eligibility for program awards for top charity fundraisers
- the satisfaction of knowing they ran for a cause bigger than themselves.

All of our host communities, sponsors, and volunteers will be winners.

By being an integral part of the race, our host communities, sponsors, and volunteers are directly responsible for the annual runner donations to our charities. Working together, everyone involved in the races can take pride in being good citizens and helping our neighbors in need.
